Mark,

You sent an email to the 10th District Committee on November 10th. In the body of the email you announced your intention to appeal the General Counsel Ruling issued on that date. Although it was not directly addressed to RPV or State Central, the Chairman has insisted that we treat your email as a formal request for appeal out of an abundance of caution.

In accordance with Article X, Section A, Paragraph 2, the Chairman has called an Appeals Committee Meeting regarding your appeal. The meeting is scheduled for **tomorrow, Tuesday November 24 at 8:00pm**. The meeting will be done via conference call, a member of the Committee or staff will call you to loop you into the call. You will be given approximately 10 minutes to make your case regarding the appeal. The amount of time you have been given is in line with previous appeals.

As background, the appeal will be solely focused on whether or not the General Counsel ruling was within the scope of the Party Plan. Please keep any remarks to this topic.

Thank you for your time.

Sincerely,

--
