Members of the Appeals Committee and General Counsel,

Attached is the specific General Counsel Ruling Mark Berg is appealing. As a reminder, the Appeals Committee's purpose is to focus solely on whether or not the appeal was proper and within the scope of the Party Plan.

Mark Berg has been given the opportunity to speak on the call regarding his rationale for the appeal. In my research on previous appeals I have found that they are typically short affairs.

Below is the agenda for the call with suggested time limits:

- *Roll Call- Chris Marston or Staff- 1 min
- *Chance for Mark Berg to Address Committee- Mark Berg- 10 min
- *Discussion- 10min
- *Vote of Appeals Committee-2 min

Dial-in Information Below:

Please let me know if you have any further questions on this subject.

Thank you for your time on this effort.

Sincerely,
